

## CONTINUITY STATEMENT

Skylight Sound will endeavour to ensure that your event runs as smoothly as possible. However, Skylight Sound will not be responsible for the inability to provide service due to:

- Power failure or issues with venue's supply
- Damage to equipment prior to or during an event
- Failure of any equipment during a production or performance.

Skylight Sound will do its utmost to rectify any problems or issues which occur during an event.

When installed, all equipment is in full working order. Any loss or damage caused by performers or other users of the equipment must be paid for in full.

Skylight Sound can provide a breakdown of items and their associated value upon request. This should be included in any insurance premiums by groups or organisations in the event that a claim for damages is sought by Skylight Sound from misuse or neglect of equipment.
